The purpose of this letter is to inform you that re-registration for the summer semester 2020 at the HNE Eberswalde is possible in the period from 06.01.2020 to 31.01.2020. If you do not re-register, we will assume that you do not wish to continue studying at the HNE Eberswalde, and you will be de-registered ex officio on 29.02.2020. Students who will most likely have completed their study programme (including presentation of the assessments and defence respectively all examination results) by 29.02.2020 are not required to re-register. If completion of the study programme is delayed, late re-registration (+ charge for late performance) is still possible up until the end of February/beginning of March 2020. If you have transfer the fee and nevertheless you complete your study by the 29.02.2020 we cannot refund the fee for renewal of enrolment (51 Euros).

Reimbursement of the other fees and contributions is made upon request.

In the case of an ongoing examination procedure (e.g. intended de-registration), a transfer has no influence on the outcome of the procedure.

How do you re-register?

Automatic re-registration is carried out upon receipt of the charges and fees by 31.01.2020 at the latest. Please take account of bank transfer times and arrange the transfer in sufficient time. Following receipt of the enrolment certificates you can validate your Greencard on the printer (City campus: Building 5 on the 1st floor or Forest campus: Foyer Building 11). Further information on the Greencard is available on our website www.hnee.de/greencard.

If you have received limited-period or provisional admission (e.g. as a result of missing evidence of language proficiency or examination certificate), re-registration will not be carried out until following receipt of payment and removal of this reason.
