The purpose of this letter is to inform you that re-registration for the winter semester 2023/2024 at the HNE Eberswalde is possible in the period from 1 Juni 2023 until 30 Juni 2023. If completion of the study programme is delayed, late re-registration is still possible upon payment of the semester fee and the late fee of an additional €15 in the first week of September 2023. If you have transfer the fee and nevertheless you complete your study by the 31.08.2023 we cannot refund the fee for renewal of enrolment (€51). A possible reimbursement of further fees and contributions must be applied for at the competent office.

In the case of an ongoing examination procedure (e.g. intended de-registration), a transfer has no influence on the outcome of the procedure.
