

The background image shows a dense forest of birch trees with green foliage. In the foreground and middle ground, there is rusted and damaged military equipment, including what appears to be a tank's turret and engine compartment, and a large, dark, cylindrical object lying on the ground. The scene suggests a post-war environment where military hardware has been abandoned in nature.

# ОЦІНКА ШКОДИ ДОВКІЛЛЮ. ПІСЛЯВОЄННЕ ВІДНОВЛЕННЯ

ONLINE WORKSHOP

# PROGRAM OF THE OPEN SEMINAR "ENVIRONMENTAL DAMAGE ASSESSMENT. POST-WAR RECOVERY"

**With support of**

within the framework of the GEF-UNEP project "Conservation, enhancement and management of carbon stocks and biodiversity in the Chornobyl Exclusion Zone"

# AGENDA

## WEDNESDAY, SEPTEMBER 27, 2023

10.30 – 11.00

Gathering of participants at the Ukrainian Hydrometeorological Center and connection to the ZOOM program, welcome coffee.

11.00 – 11.30

### OFFICIAL PART:

**OLEKSANDR KRASNOLUTSKYI**, First Deputy Minister of Environmental Protection and Natural Resources: welcoming speech.

**MAKHIR ALIYEV** – Coordinator of the GEF-UNEP project "Conservation, enhancement and management of carbon stocks and biodiversity in the Chernobyl Exclusion Zone": welcoming speech.

**OLESYA KARNAUKH**, Deputy Head of the Kyiv Regional State Administration: welcoming speech.

**MAKSYM SHEVCHUK**, Deputy Head of the State Agency of Ukraine on Exclusion Zone Management: welcoming speech.

**OLEKSANDR GALUSHCHENKO**, Director of Chernobyl Radiation and Ecological Biosphere Reserve: welcoming speech.

**MYKOLA KULBIDA**, Director of the Ukrainian Hydrometeorological Center: welcoming speech.

11.30 – 15.00

### PLENARY SESSION:

11.30 – 11.45

**OLEKSANDR BORSUK**, Head of the Laboratory of Flora and Fauna of the Chernobyl Radiation and Ecological Biosphere Reserve: **"Consequences of the war for the Chernobyl Radiation and Ecological Biosphere Reserve and post-occupation challenges"**.

11.45 – 12.00

**KATERYNA POLYANSKA**, ecologist of the International Charitable Organization "Environment-Law-Human": **"The impact of military operations on the environment: monitoring and assessment"**.

12.00 – 12.15

**PIERRE IBISCH**, Professor at the Eberswalde University of Sustainable Development: **"Ecosystem Resilience - Restoration"**.

12.15 – 12.30

**ANGELA DICHTER**, project coordinator at the Eberswalde University of Sustainable Development: **"Models of sustainable development during the war - first results of the workshop with Ukrainian biosphere reserves"**.

12.30 – 12.45

**OLEKSIY VASILYUK**, Head of the NGO "Ukrainian Nature Conservation Group": **"Methods of rapid assessment of damage to protected areas as a result of military actions"**.

12.45 – 13.00

**OKSANA ABDULOVA**, Senior Expert on Environmental Impact Assessment of the Reform Support Team at the Ministry of Environmental Protection and Natural Resources of Ukraine, PhD in Biology: **"Assessment of Environmental Damage as a Result of Russian Armed"**

|               |                                                                                                                                                                                                                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|               | <b>Aggression against Ukraine: Key Developments, Results and Needs in the Short Term".</b>                                                                                                                                                                                                                    |
| 13.00 – 13.15 | <b>OLESYA PETROVYCH</b> , D. in Biology, expert on environmental issues: <b>"Prospects of using the instruments of international environmental processes for nature conservation during the war and its restoration in the post-war period"</b> .                                                             |
| 13.15 – 13.30 | <b>MYKOLA STETSENKO</b> , Head of the NGO <b>"Association of Protected Areas of Ukraine"</b> : <b>"Protected areas in post-war Ukraine"</b> .                                                                                                                                                                 |
| 13.30 – 13.45 | <b>SERGIY ZIBTSEV</b> , Professor of the Department of Forestry of the National University of Life and Environmental Sciences of Ukraine (NULES), Director of the Eastern European Regional Fire Monitoring Center: <b>"Decision Support System for Fire Management and Demining in the Exclusion Zone"</b> . |
| 13.45 – 14.00 | <b>OLEKSANDR SOSHENSKYI</b> , Associate Professor of the Department of Forestry, NULES: <b>"Preparation of an event to demonstrate scientific products of the FireEurisk project for the Exclusion Zone"</b> .                                                                                                |
| 14.00 – 14.15 | <b>VIKTOR MYRONIUK</b> , Professor of the Department of Forest Taxation and Forest Management of NULES: <b>"Non-permanent monitoring of changes in ground disturbance and types of combustible materials on the territory of the ChEZ"</b> .                                                                  |
| 14.15 – 14.30 | <b>PAVLO GOLDIN</b> , Leading researcher at the Schmalhausen Institute of Zoology of the National Academy of Sciences of Ukraine: <b>"Development of the impact of the Russian war on the biota of the Black Sea and its shores"</b> .                                                                        |
| 14.30 – 15.00 | <b>DISCUSSION - QUESTIONS - ANSWERS.</b>                                                                                                                                                                                                                                                                      |
| 15.00 – 16.00 | <b>COFFEE BREAK. INFORMAL SOCIALIZING.</b>                                                                                                                                                                                                                                                                    |
